# Best in the Land . . .

Our theme for the year was furnished to us very nicely by our football team. Since winning a State Championship is a very special and rare occurrence, the yearbook staff wanted that accomplishment to be the main focus of the 84-85 yearbook. So in deciding on the theme, we took a phrase from our school song that represents what our football team accomplished, what our school and its students strive to be, and what the yearbook staff wants this yearbook to be:

## BEST IN THE LAND

Producing a yearbook that measures up to that quality is not an easy task. Yearbook staff members must put forth a lot of effort to sell advertisements, sell yearbooks, plan, draw and type pages, and many other tasks, as they are pictured doing on this page. The co-editors of the yearbook, Laura Fowler and Richard Tyer, along with some other dedicated staff members have put forth a lot of effort on the 85 Profile. I appreciate their efforts very much because I know that they are willing to put forth the extra work and effort to make this an excellent yearbook because they care about this school and want to preserve for us the memories of 1984-85. I commend the editors and staff for their efforts, their caring and a job very well-done.

this mass all the teachers and educational personnel of the school are commissioned to use their gifts and abilities to guide the young people entrusted to them.

## A Royal Affair

Our 1984 Homecoming was a huge success. This year's theme was "A Royal Affair." The festivities began on Monday, the first day of the traditional Spirit Week. Each day of the week had its own theme, and the students dressed accordingly. The Freshmen won the hall-decorating competition as well as the pep rally and first place overall in the Spirit Week. The Crusader football team was victorious in the Homecoming game on Friday night. Saturday night marked the culmination of the week's activities with the Homecoming Dance. Our queen and the Homecoming Court were presented at both the football game and the dance.

## 1985

# A Farewell to Father

Reverend William T. O'Mara, our dedicated principal for the past eight years, announced his resignation from T. K. Gorman, effective at the end of the 1984-85 school year. "Father," as he is affectionately called, has seen many improvements during his tenure at T.K.G. The school has received the accreditation of the Southern Association of Colleges and Schools, as well as growing into a separate high school and middle school, with additional improved facilities. Father was the overseer of the work when the new facilities were being built in 1981-82.

Father will be leaving Gorman to go for a one year study at the Institute of Spirituality and Worship of the Jesuit School of Theology, in Berkeley, California, after which, he hopes to return to Tyler to work in the area of Adult Education. The T. K. Gorman Community will truly miss Father, but we wish him well in his new endeavors.

The Parish and Gorman Community turned out for the Mass of Thanksgiving, held at the Milam J. Joseph Community Center, to honor Father O'Mara.

- A. Father prepares for the Eucharist.
- B. Msgr. Joseph presented Father with a statue of a pair of gloved hands, holding a handball, which included a plaque making reference to Father's many victories and one defeat - to Milam J. Joseph.
- C. Father was presented with a picture collage containing pictures of most of the people from his Gorman days.
- D. The culminating gift was a beautiful stained glass replica of the Gorman seal, given by the Immaculate Conception Parish.
- E. Father poses with a group of Seniors.

## FOOLISH FRESHMEN

# A Freshman Is . . .

What exactly is a freshman? *freshman* (*frēshman*) n. 1. A student in the first year of high school or college. 2. Any beginner. According to *Roger's College Thesaurus* (a book with synonyms and antonyms of numerous words): freshman, n. plebe, underclassman, novice, greenhorn, tenderfoot.

But students have a different view. Freshmen stated: "A freshman is a great, great, great person! They are outgoing and very spirited!!"

"A freshman is the backbone of the school."

"A freshman is an old eighth-grader."

Sophomore students, as well as upperclassmen, had a different view. A lot of them thought of a freshman as being squirrely, immature, and naive. One sophomore said, "A freshman is a mooch . . . a year dumber . . . a smart aleck . . . cocky."

"A freshman is someone who doesn't know what's going on in the school."

Upperclassmen's definitions of a freshman were:

"A freshman is a person who tries to fit in where they are not wanted . . . and they're not!"

"A freshman is a nothing, a lowlife . . . not useful in any way. I'm almost a senior! — It doesn't matter what they are or what they do!"

"A freshman is someone who tries to act like a senior — but can't get away with it!"

And when we asked the faculty, they had these things to say: "A freshman is a scapegoat for all sophomores, juniors, and seniors."

"A freshman is someone who tries to kiss you on the first ten minutes of a date!"

"A freshman is an immature, inexperienced, ignorant senior."

F. Anne Cook in repose.

G. Open it carefully, it may have been rigged — warns Heath Huffstetter to Jane Cain as Joey Czerwinski passes by.

H. Mr. Sam Marshall "checks out" the Cake at retreat.

I. Pretty smile, Lisa.

J. John Dielamowicz

K. Mr. Young has a casual chat with Jeff Sawell, Mike McKee, John D.

# TWO-A-DAYS . . . IT ALL STARTS HERE

A. Offensive execution.  
B. The coaches talk it over with conditioning specialist Brett Brodnax.  
C. Poetry in motion — Damon Carney and Heath Webb.  
D. The linemen really keep together during quickness and agility drills.  
E. "Be a leader," bellows Coach Lyke.

Two-A-Days — perhaps the most physically demanding time of the football season. The heat and humidity of early August bear down on the body like nothing it has ever felt before. Yet, there is a will to overcome physical limitations; a will to transcend the heat; a desire to win.

# One Last Look Back . . .

ET IT FROM GRESHAM'S

The road to the State Championship was long and hard, but with determination and togetherness we held firm in our quest. It was the defeat handed to us from Eurace which taught us that games were won by hard work. We struggled by Bullard and lost a heartbreaker to First Baptist. We felt lost and discouraged, yet at the Homecoming game against Edgewood, our spirit and pride returned and we were renewed — ready to work together again. And suddenly it all began to synchronize. Harder and harder we practiced. And harder and harder we played. We had a desire to win! We crushed Cistercian, Notre Dame, Garland, Christian, Relchet, Sacred Heart, and Lutheran North. The end of the road awaited us in Temple on the first day of December. Sacred Heart of Hallettsville met us ready to play. Their strong defense held us in place in the first half, but with a few halftime adjustments we began to drive them off. Our defense held its pose and stopped our opponent's spirited passing game. We won that night 22-0. Our dream became reality.

It is not the critic who counts, not the man who points out how the strong man stumbled or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena; whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes up short again and again; who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause; who at the best knows in the end the triumph of high achievements; and who at the worst, if he fails, at least fails while daring greatly; so that his place shall never be with those cold and timid souls who know neither defeat nor victory.

# Boys Basketball

The 1984-1985 Crusader basketball team was under the leadership of new head coach Rick Teran. The year was definitely a rebuilding year since last year's state finalist team had been made up of so many seniors. After a slow start the team progressed quite well and won the South Zone championship by defeating St. John's in two straight games. They played North Zone Champs Wichita Falls Notre Dame for district and lost by a small deficit of 4 points. The team then braved snow and ice to reach Wichita Falls for the district tournament. There they won their first round game, defeating Alamo Catholic by a large margin. They then went into the tournament championship game where they were defeated by Notre Dame, who then became our district's representative at the State Tournament. Though the team was not able to make another trip to State, everyone was proud of their South Zone Championship and their second place finish at the District Tournament.

# All-Sports Banquet

The All-Sports Banquet honoring all Crusader athletes was held on May 10, 1985, in the Community Center Building. The annual dinner was sponsored by the Booster Club and was highlighted by several gracious guest speakers. George Cumby, Gorman graduate and middle-linebacker for the Green Bay Packers, spoke of how his time at T. K. Gorman enriched and supported his athletic career. State Representative David Hudson presented the school with a commendation from the Legislature on Gorman's State Championship in football. City Councilman Les Ratliff, standing in for Mayor Halstead, praised the athletes for their fine work both on and off the field. Finally, special awards were presented to individual athletes as well as the State Championship football team.

## THE LANCE

Thomas K. Gorman High School

Our newspaper, *The Lance*, is under the leadership and supervision of Ms. Maripat Putzer, with Janet Richbourg as editor. Our newspaper has continued to provide excellent coverage of all Gorman events this year.

# Yearbook Staff

The greatly expanded 1985 *Profile* draws on the theme of school pride. The Yearbook Staff is extremely proud of the faculty, students, and friends of T. K. Gorman who continue to strive to make our school truly the best in all the land. It is our wish that this yearbook will be beneficial in recalling the memories of the past year which evoke that special feeling of pride shared by all the members and friends of the T. K. Gorman community.

— Richard Tyer,  
Co-Editor

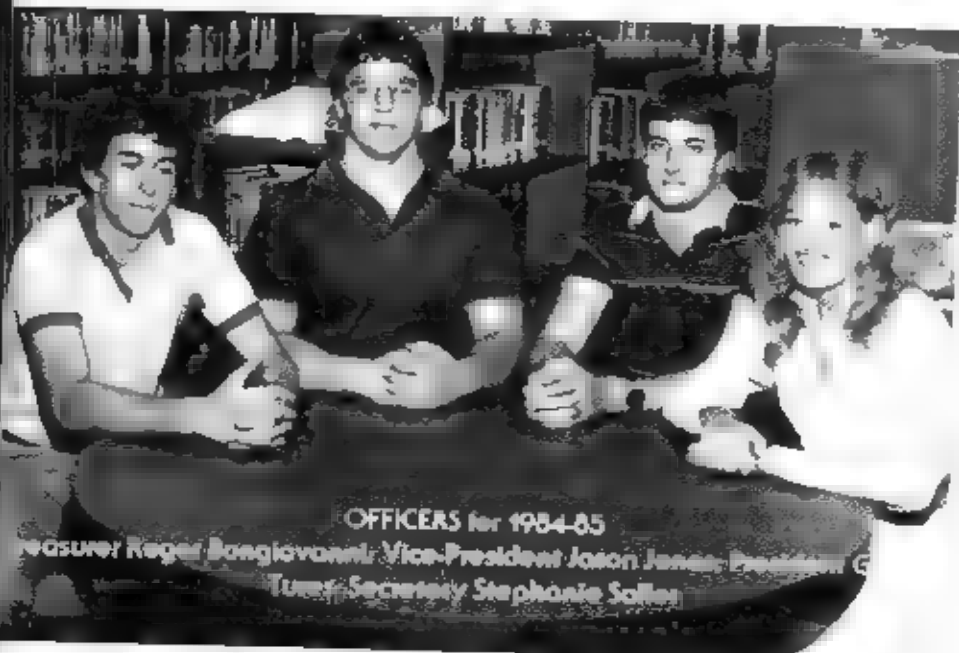

# National Honor Society

National Honor Society members individually and as a group strive to exemplify scholarship, leadership, character and service especially in the T. K. Gorman community. This year the members shared their gifts in a variety of ways: ushering at the opening Mass of the academic year, daily raising of the flag and lowering of the U.S. and Texas flags, selling of football programs at home games, sponsoring of a blood drive, planning the liturgy and sponsoring the induction ceremony for new members and their families, and assisting with career day.

— Sister Virginia Ripp, O.P.

# Student Government

The Student Government, under the direction of Sr. Ann Bourke, had 33 members, the largest in the school's history. The group consisted of the officers of each class as well as three class representatives. Also included are representatives from the various school organizations. Through Student Government, students may bring up problems which they feel exist in the school. The group may then work together with the faculty and administration toward a resolution.

"The T. K. Gorman Student Government continued its successful tradition in 1984-85. The Student Government took on many difficult tasks, which all ended with much success. We started off with a terrific Homecoming week and dance followed by many other important dances including the Christmas party and the Basketball Dance. This year along with our annual Walk-a-thon we also took on a new fund raiser. We met the new challenge of selling Christmas trees with vigor and excitement. Our efforts raised \$2,000 for the Transportation Fund. All in all, it was another great year for the T. K. G. Student Government."

*In Memoriam*

# Coleman Cash McGuffey

November 19, 1971 — April 7, 1985

## *Memories of Cash McGuffey*

He had a maturity beyond his years.  
A smiling face, no time for tears.  
With a sense of humor, droll and dry,  
And a gentle rebuke if you didn't try.

Raising funds for the school, he inspired us all,  
And when we complained, he'd stand up tall.  
And say, "Quit your griping; you can do it,  
If you make up your mind, there's nothing to it."

So we followed his lead and we raised the most money.  
We reached our goal and I thought it was funny  
That our class had been prodded by this bright little guy  
Who gave his all — and then taught us to try.

With birthday balloons, as he played the clown,  
He joked and he kidded when he could have been "down."  
But he wanted to be a part of it all:  
The exchange in the classroom, the noise in the hall.

He'd come to school when he wasn't well  
And school was tiring; you could tell.  
But he made the effort because, he'd say,  
"I miss my friends when I'm away."

And we'll miss him too, we'll miss hearing his voice,  
But we know he's in Heaven, so let's, rather, rejoice  
That he's with the Father and his suffering will cease,  
That he'll find perfect happiness and an unending peace.

— Lois Young

# Macintosh

32-bit power without  
complex manuals, codes  
or typing skills

Instead of computer codes to memorize, Macintosh™ has a mouse that points at what you want to do instead of typing complicated commands. You just click the button on the mouse.

This eliminates the need for complex manuals, courses and seminars.

But when you can have so bit power at a price like this, we don't think you'll mind the sacrifice.

# You can help.

TEXAS POWER &  
LIGHT COMPANY

A 31.039102 Keesler owned electric utility

You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; the refrigerator - know what you want before you open the door; hot water takes energy - try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.

# Front porches, picnics and pickled pears.

It's the little things that say a lot about East Texas.

Grandmothers in front porch rockers

Skinny pine trees.

A burst of color from a roadside rose stand.

A picnic at Tyler State Park.

A parade clown dancing with a laughing youngster.

Tips of the hat.

Neighbors who still bring pies.

Pickled pears with blue ribbons at the East Texas Fair.

Wildflowers.

An American flag fluttering on a drilling rig.

And the assurance that the best is still to come
